KODIAKOTTON® BOX LINERS

KSP10.5X8X9.25BL

48 HOUR HEAT STRESS TEST

PAYLOAD: ONE PINT FROZEN ICE CREAM AND TEN LBS DRY ICE
PAYLOAD AND DRY ICE SUBSTANTIALLY FILLED THE CAVITY

The above test results were recorded by individual data loggers within and outside the test package as well as in proximity to the product. Although from an actual case study simulating a heat stress environment, individual results may vary. KODIAKCOOLER® does not warrant or guarantee that these results will be the same for any product and/or shipment.

KODIAKCOOLER® will gladly provide samples for independent testing and evaluation. ©2016 KODIAKCOOLER®
